

## Places To Stay While Paddling With A Day Away

Having traveled with groups for over the past 35 years, we understand the challenge of finding group accommodations that are adequate, within your budget, and something you would actually want to stay in yourself. We are happy to help you with this and have some great places in mind.

If you plan to camp....

**Manatee Hammock Campground** is a great spot right on the Indian River Lagoon. They are a Brevard County Park and have worked with us for several years. All campsites are shaded in a nice Oak hammock and there is a pool, fishing pier and boat launch. Manatee Hammock is located on US1 just South of Titusville and is 30-35 minutes from our launch site

**KOA** has very nice facilities at the junction of SR46 and I95. It is a typical KOA with all amenities. KOA is also 30-35 minutes from our launch site.

### **Sendler Education Outpost**

This is a semi-primitive camp site that is available only to Scout groups. It is located on the Merritt Island National Wildlife Refuge only about 2 miles from our Haulover Canal Launch site. Reservations for this site must be made through the rangers at the refuge. This site is on the Indian River Lagoon and has very nice paddling just back of the camping area. Please call the refuge at (321)-861-0668 for reservations.

### **The Great Outdoors**

Titusville is blessed to have one of Florida's premier RV resorts. This is not a place for group camping, but a great place for RV camping. You may stay for a night or for months at a time. It is a very nice property with many amenities in a very natural environment.

Looking for a Hotel....

### **Fairfield Inn**

The Fairfield inn is one of the newest and possibly the nicest hotel in Titusville. We have arranged with their management for a special A Day Away rate that saves you quite a bit off their standard nightly rate. When you make your reservations just tell them you are kayaking with us and want the A Day Away Rate. While this will not be the cheapest hotel rate you will find in Titusville, it will be the best deal if you measure quality for price and will be just slightly more than you will pay for a room that is not as nice.

Titusville is home to many other hotel chains of varying costs and ratings. You may find a listing of some of them here at the [North Brevard Business Directory](#).

We always like to check [Trip Advisor](#) when finding places to stay.
