

## All A Day Away Trips Gear List

Conditions can be extreme here in Florida. It is important to prepare well to gain the best enjoyment from your trip. Your guides are very familiar with your paddling environment and conditions. Feel free to ask any questions you would like in order to understand all you need to be confident about your trip. Please understand, we will not paddle in unsafe conditions including high winds and thunderstorms.

### What to Bring With You

- Clothes you don't mind getting a little wet.(preferably no cotton) Towel (left in car)
- Swim suit under lightweight long sleeves and pants (to keep bugs or sun off)
- Water Shoes – sandals or Crocs that can be worn in the water, no Flip Flops please
- Bring an extra change of clothes just in case...
- Camera & Dry bag (optional) fairly useless to capture bioluminescence, but great for capturing people and wildlife
- Bottled water, Snacks
- Any special personal paddling gear if you like
- Bug Repellent - especially if there has been lots of rain
- Please lock valuables in your trunk (this is more safe)
- **Night trips:** You may bring a flashlight, though we will provide a safety light on evening trips
- **Day trips:** Sunscreen, Hat, Sun protection clothing
- **Cool Weather:** layers of clothing that can EASILY be removed or transported with you for later use. No cotton

### What to expect...

- A drive that is 20 minutes east of Titusville out on the Refuge
- No restroom facilities at the launch site (stop in town)
- Just under two hours on the water for a leisurely paddle
- Expect to get a little wet – depends on you (or possibly your friends)
- To see lots of wildlife (day trips) and stretch those muscles a little
- To learn some basics about paddling and more about local wildlife
- To actually wear your life vest & whistle
- Great guides who enjoy their work and keep you safe
- Lots of outdoor fun and a desire to come back real soon
